

Olive & Pine

Design Brief

These are the pillars that would guide Olive & Pine's design in
Architecture, Brand, Visual, and Programming

Deliver an environment
capable of triggering an
emotional reaction

Deliver a series of
binary experiences **holistically**

Deliver an uncompromising balance of
**functions, convenience,
and sustainability**

Deliver a distinctive place
worthy as an **innovation**

Deliver a development
within budget

Deliver an environment
capable of triggering an
emotional reaction

Strike a special chord to make memory speak; adding something to the
carefully identified artifacts - Materialism & Space Poetry.

Deliver a series of
binary experiences **holistically**

Progressing through and meddling between its inner private & public spaces;
traveling to and from its surrounding - Adventurous Walk.

Deliver an uncompromising balance of
**functions, convenience,
and sustainability**

Meeting user expectation in comfort & convenience - Responsibly.

Deliver a distinctive place
worthy as an **innovation**

Uncover a regional design that is contemporary and uniquely O&P - Regional School.

Deliver a development
within budget

Meeting overall budget to deliver an economically sustainable development
affordable to its users and profitable to its investors - Concious Capitalism.
